

# Environmental Statistics Day

JAN 22, 2019  
1-2 PM  
1690 SPH I

Lance A. Waller, PhD  
Professor  
Biostatistics & Bioinformatics  
Rollins School of Public Health  
Emory University

Linking a  
dose-response  
model to observed  
infection to  
describe spatial-  
temporal patterns  
in a Q fever  
outbreak
